一、Project list.

Item project	Descriptions content	Quantity quantity	Unit price Unit price (RMB)	Amount Total (RMB)
Diesel generator sets (option 1)	Exporter: KRECO Unit model: LHGFS-40 Unit power: 40kva Diesel Engine: Weichai Power Diesel engine model: WP2.3D48E200 Generator: Shanghai Hutai Generator Generator Model: TFW2-40-4	2 units		
trailer price	two wheel trailer		included	
Tax stamp price	13% VAT invoice price			
Total (RMB)	RMB EX-Works		CNY :	
Total (USD)	USD EX-Works		USD :

Remarks : The above quotation is the price of a new low-noise unit with a trailer, including the unit, including the bottom fuel tank, including the battery, including the oil pipe, including the oil, including the four-protection starting module, including the anti-vibration glue, including the tax stamp, including the container fee, including the unloading fee. Excluding moving fee, excluding cables and civil works.

二、Shipping List

Diesel Engine Information	1 set/set
Generator Information	1 set/set
engine oil	installed
Maintenance-free battery	2/set
Shock absorbers	4/unit
tubing	2 pieces/set

3. Unit description

1. Diesel filter system:

dry air filters with status indicators , dual-layer rotary paper-based filters for fuel and lubricating oil, all replaceable as a complete set.

KINGRONG ENTERPRISE LTD.

Zhongshan Kingrong Electronics Co., Ltd

902,Bldg 6,Meicheng Creative Industrial Zone,Mingcheng East Rd,Xiaolan,Zhongshan,Guangdong,528415 China TEL:+86-760-22582166 Fax:+86-760-87600816

2. Electric start system:

Start the motor with 24 volts DC.

3. Battery charging system:

24V DC charging generator and regulator driven by diesel engine.

4. Start the battery:

A set of heavy-duty lead-acid batteries and battery connections and connectors are enough for the generator set to start 3 times.

5. Radiator

The radiator of the water tank is cooled by a fan driven by a diesel engine, and has a protective cover. The ideal heat dissipation effect can still be exerted under the condition of full load at an ambient temperature of 45°C.

6. Exhaust silencer system

Each unit is equipped with a set of spring damping bellows and a first-class muffler as standard.

7. Control system display function

1), Chinese LCD display generator parameters including: oil pressure, cooling temperature, speed, battery voltage, running time.

2), Chinese liquid crystal display electrical parameters include: voltage, current, power, frequency, active power and so on.

3), 99 historical event records, including start, stop records, fault records and other data.

8. Control system protection function

With low oil pressure, high water temperature, overspeed/low frequency, high/low voltage, overcurrent and other protection functions.

KINGRONG ENTERPRISE LTD.

Zhongshan Kingrong Electronics Co., Ltd

902,Bldg 6,Meicheng Creative Industrial Zone,Mingcheng East Rd,Xiaolan,Zhongshan,Guangdong,528415 China TEL:+86-760-22582166 Fax:+86-760-87600816

Fourth, the oil standard

Meet the national standard 0 # light diesel. Comply with international standard 15W-40CF4 grade oil.

5. Installation and debugging

1. In Guangdong Province , China, the installation of smoke exhaust pipes does not include outdoor welding, and does not include working at heights.
2. In Guangdong Province , China, excluding unit neutral point grounding , generator room ring network grounding, control lines, machine room intake, exhaust wells, civil works, wire and cable works, oil tank sand topping works and generator room lighting systems.
3. In Guangdong Province , China, install oil pipes and check oil and water.
4. In Guangdong Province , China, adjust the voltage , frequency and speed.

Sixth, the generator set warranty period:

1. The diesel generator set is guaranteed for one year or 1000 hours, whichever comes first (except for wearing parts) .
2. Not in the scope of Three Guarantees: If the product is used beyond the Three Guarantees period, damage caused by the user's own loading and unloading, not used in accordance with the scope of the "Instruction" or the manufacturer's maintenance requirements, failure caused by overloaded use, engine water shortage, oil shortage caused by the failure.

3. KRECO provides free technical advice and guidance. KRECO provides lifetime maintenance services for the units sold to 180655 Customer. If the warranty is exceeded, KRECO will provide services at the lowest cost.

Seven, after-sales service

1. KRECO requires 180655 customers to use the original daily consumables, and KRECO supplies the daily consumables of the unit at a discounted price, such as: (diesel filter, oil filter, air filter, water filter, oil, etc.)
2. In Guangdong Province , China, if the unit has any quality problems during the warranty period , KRECO is responsible for repairing them free of charge; but if the 180655 Customer does not use KRECO's requirements, misuse of inferior diesel oil, oil, daily consumables, overloaded use, engine shortage Water, lack of oil, loose belts, illegal operation and force majeure factors are not covered by the warranty.
3. KRECO provides free remote technical training guidance.
